During the Foundation meeting held on June 16, 2012 the idea that the Institute bears the full cost of the reunions with a cap of expenditure at Rs 12000 per alumnus was informally discussed. Any excess above the 12000 will be borne by the batch. In a subsequent circulation outlining the implementation of this, if required, the Secretary had sent a scheme to the DRPG under which, the Alumni Association will charge a non-refundable registration fees of Rs 2000 for those coming alone and Rs 3000 for those coming with their families as a token registration money. This will help the office to make an accurate estimate of the likely registrations (and avoid frivolous registrations). This will be collected

through normal online collection, etc. and kept with the Alumni Association to cover the administrative expenditures of the reunion, which will not be charged to the Institute.

The BOD was apprised of the matter and also informed that the issue was still under consideration with the Institute, and any updates will be informed and circulated.
